

2020 Advisement --- Proposed

KEY RESULT AREA: Industry Relations

RESOLUTION NUMBER: IR-3

SUBMITTED BY: Minnesota Pork Board

SUBJECT MATTER: Collaboration

Motion: The National Pork Board and staff are advised to formalize processes for collaboration with the National Pork Producers Council to ensure a proactive, positive and productive working relationship.

Rationale:

The national organization boards and CEOs can be commended for their current collaboration but it is important to formalize these relationships and processes to have organizations that are relevant, proactive, well-coordinated and that address industry priorities effectively and efficiently without duplication.
